Secondary Roads Update – Conducting sample borings on Lincoln 3 & 4, Nodaway 9, and Prescott 10. Sent out notifications on road closings or restrictions. Crushing concrete this week for one-inch shoulder rock. The quarry ran out of crushed rock last week so started using Class A rock. Got the skid steer and twin screw that was sent out for repairs back. Sent both owned and rented skid steers out to clear trees. Will be demoing a CAT skid steer. Planning to finish trees this week because the rented John Deere skid steer goes back next Monday or Tuesday. Weather permitting the crew will be hauling rock during the month of April. Some items have sold on Purple Wave and the rest of the equipment will be sold April 1st.

Shipley moved, seconded by Akin to approve the claims as presented. All supervisors voted aye. Motion carried.
